

Challenge-trg Skills

Commercial Training

2023

Challenge-trg Group

Introduction

“An accredited training provider offering commercial and fully-funded training solutions to the public and private sector”

Challenge-trg Skills has been helping people achieve their career ambitions for over 25 years. We pride ourselves on offering a first-class learning experience with outstanding and inspirational teaching and learning to match.

Our programmes are delivered face to face, online, or via a blended approach using our Moodle platform which includes a fully virtual classroom environment, all delivered by our inspirational team of trainers and specialists.

MAXIMISING Potential

Because we're in the business of working with people across the country, we're in an excellent position to make a true difference.

We have the tools and expertise to enable people to become the best version of themselves, providing them with opportunities to develop, progress and enhance their overall wellbeing.

Challenge-trg Skills is Ofsted graded.

Using our scale for good, as operational and strategic lead for the Challenge-trg Skills, we partner with Government, private sector and charitable trusts securing sustainable work, placements and training opportunities for the unemployed, disadvantaged and inactive on a national level.

Simon Bladon
Skills Director
